“ Debbie and Family,
It is with sadness that I learned of Arthur's passing., HE was a WONDERFUL man, teacher, and role model and I loved him, I spent many summers with He and my Dad at Arthur's sawmill, with logs from Pines we hauled there, Arthur could work a young man hard, Dad would help Arthur get the logs on the carriage, I worked the off bearing of slabs and lumber and stack the trailer. Arthur became my supervisor at Duke Power, I say this, HE was the BEST supervisor EVER, a totally Fair man in all dealings.
It was a great honor to be invited and attend his 90th Birthday gathering, it was as if Arthur never aged, spry as he had been 15 yrs earlier.
May the Lord bless your days, show you peace and guide you as you face the upcoming days... Arthur is with Frances and I know he is thrilled!

“ Sorry for your lost of such a wonderful man and father. My beautiful memories of him were leaving vegetables hanging on our mail box after the mail was delivered. When we first moved down the street he took me for a 3 hour tour of his property and explained the history of his land and neighboring areas. A beautiful soul.

“ Debbie, I am so sorry that I'm just learning of the loss of your precious dad. I can only echo what others have said about him. He was a wonderful, sweet man. He would beam when he would speak of you and your family. I will always carry the precious memories of my conversation with him when he would come into the Duke office. You and your family will be in my prayers as you face the difficult days ahead.
