“ I would like to just share with you all what a great man and father my dad was. We had our ups and downs and we probably made him worry more than he should ..He did the best he could with the cards that were dealt to him. He was always there for us when we needed him..He was a very caring man and sometime he was a bear, but he loved us beyond all our flaws. I know he is in heaven and is in the presents of our Lord and savior..I have no doubt we will surely miss him and everyday we will think of him ..We thank you all for the friendship the prayers and just being here..this world lost a good man and heave gained a beautiful angel..God bless you all and please continue to lift our family up in prayer..Be blessed.

I am so sorry to hear about David. He was one of the best dispatchers I ever had as a State Trooper! I always enjoyed talking with him. May God comfort each of you at this difficult time.

“ To the family of David Banks, it was an honor to have had the opportunity to get to work with him at the York County Sheriffs Office, and as fellow dispatchers while he was with SCHD dispatch. We shared a lot of laughs, such as when I got a call from him, when he went out to smoke and was locked out of the building. He made me swear not to tell anyone, and asked me to call a specific trooper to let him back in. He talked often of his family and the love he shared with Crystal and all the kids. He loved you all more than his own breath. You were so lucky to have had him in your life, as I was just as lucky to have been able to call him a friend as well as a great co-worker. He will be missed by all. I will keep you all in my prayers and if you need anything feel free to call me @ 803 417 2320.
